## Welcome back

**to a new school year and also welcome any new parents.**

I'm sure most of you by now know that **ALL parents** are automatically members of the KSA and really welcome to join any of the meetings and fund raising events. Meetings are very **informal** and usually accompanied by a glass of **wine** or two! For those still recovering from the trauma of Pre-school committee years, this is nothing like that. The KSA is purely a **fund raising** committee, there to raise money and then spend it on extra items to **enhance** our children's school experience. The AGM had now happened and all required posts filled so you will not get roped into anything you don't wish to.

If you are new to the area or school it is a fantastic way to **get to know new people**. If there are things you would like to see happen, equipment you'd like to get-come onboard and **make it happen**. What sort of social or fund raising events would you like to see happen, are the current fund raisers not your cup of tea? Come and help organise an event that you would like to attend and raise money through. Your child/children will **reap the benefits**.

**Items KSA donations paid for last year:**

PA system, cordless microphones, travelling pantomime visit for all children, coach travel to swimming, 6 digital cameras, Christmas presents for all children, R.E education artefacts, Playtime equipment, Chariots, scooters, ride-ons, Large Portable CD player, subsidised trip to London, Pool tables, scales, small dry wipe boards for all classes, inflatable bouncy castle for Audrey's retirement party, set of play-scripts, girls football kit, KS1 PE equipment for 'Leap for life'.

**Fantastic, thank you so much for your help in buying these items, there is already a large 'wish list' waiting for us this term.**
